# FLOORING

#### AGT flooring adds perfection to any floor...

#### STRUCTURE OF AGT FLOORING

**Top covering:** The top layer that protects the laminate flooring

**Decor Paper** Decorative layer of laminate flooring that provides endless color and pattern.

HDF: High density fiberboard layer.

**Balance Paper:** This layer provides stability and protects the paneles from moisture and impact.

**Overlay:** Top layer protects laminate flooring from scratches. **Decor Paper:** Decorative layer, which gives different alternative colours and designs to laminate flooring. **HDF:** High density fiberboard.

**Balance Paper:** Bottom layer, which protects from humidity and distortion, provides stabilization.

It is now possible to challenge the years. The AGT Natura Plus and Line FLOORING series offers a 15-year warranty for the AC4 class. In addition to its outstanding performance characteristics in all conditions, it brings color and life to the floors with its 10 eye-catching decor styles.

#### AGT Natura Plus-Line Flooring Features:

- 32th Class AC4
- 8 mm thickness
- One hundred percent natural surface workmanship
- Uniclic lock system
- 15 year warranty
- EI Certified
- 10 different design alternatives
- \* Natura Line series is V-Groove.

- 1200 mm x 191 mm
- Thickness 8 mm

Dimensions:

Trend Oak–PRK501, AC4 Plank Size - 8 mm\*191 mm\*1200 mm

Rodoz–PRK509, AC4 8 mm

Plank Size - 8 mm\*191 mm\*1200 mm
